Allowances and extra weights are not affected by performances in matches or private sweepstakes.

When stating the weights for every handicap race, the handicapper is required to state the date and hour of the handicapper's declaration of the weights.

AR 177 Stewards may permit handicapper to amend weights

- (1) The Stewards may, within a reasonable time of the handicapper's declaration of weights, permit the handicapper to amend the allotted weight of a horse in a handicap race if satisfied that the allotted weight was incorrect because of:

 - (b) incomplete or inaccurate information in relation to the performance, age, sex or identity of any entry; or
 - (c) an error by the handicapper in the assessment of the age or sex of any entry or of the conditions for a race.
- (2) With the Stewards' permission and before the declaration of acceptances, the handicapper may issue a substitute set of weights for a handicap race only if:

- (3) Notwithstanding subrules (1) and (2), an error in the allotted weight of any horse in a weight-for-age, set-weight, ratings-based, benchmark or set-weight-and-penalties race may be corrected at any time.
- (4) The handicapper may amend the allotted weight of a horse in a handicap race to carry additional weight if, after weights are declared for that handicap race, that horse wins a race.

AR 178 Consequence for weights of a dead-heat race

When horses run a dead-heat for 1st place, each of those horses is liable to carry extra weight as winner of that race, and:

- (a) each horse is deemed to have won the amount of the prize awarded in respect of the winner of the race and any extra weight shall be calculated accordingly;
- (b) if the conditions of a race require that a certain penalty or weight has to be carried for winning a race specified by name, each horse running a dead-heat for that race will carry that penalty or weight as if that horse had won the race outright.

AR 179 Calculating equivalent prize money earned in other countries

For the purpose of calculating the value of prize money earned in other countries by a horse entered in a race in Australia, the rate of exchange to be used is the rate current on the first business day of January of the year in which the prize money was earned, as determined by a trading bank approved by Racing Australia.

AR 180 Eligibility or weight not affected by subsequent disqualification

If the winner of a race is found to have been ineligible for the race, or is subsequently disqualified from the race, the eligibility or weight of any other horse will not be affected in respect of a race run before that finding was made.

Division 3 – Scratchings**AR 181 Notice of scratching of a horse from a race**

- (1) Subject to subrule (2):
- (a) the nominator or trainer of a horse (or that person's authorised agent) must give notice in writing of the scratching of the horse from a race to the PRA or the Stewards at least 45 minutes before the time scheduled for the start of the race, or any earlier time as the Local Rules provide;

 - (b) in the opinion of the Stewards the Judge is or was unable to properly place the horses as they passed the winning post due to illness or any other reason.

 - (b) attempt to supply; or
 - (c) be a party to the supply or attempted supply of,
 - any substance or preparation to another person (including but not limited to, a trainer or any person on behalf of a trainer), which is:
 - (i) a prohibited substance on Prohibited List A;
 - (ii) a substance or preparation containing a prohibited substance on Prohibited List A; or
 - (iii) a substance or preparation that is not permitted to be in a person’s possession or on a person’s premises in accordance with AR 252(1).
- (2) A person must not:
- (a) procure;
 - (b) attempt to procure; or
 - (c) be a party to the procuring or attempted procuring of,
 - any of the following:
 - (i) a prohibited substance on Prohibited List A;
 - (ii) a substance or preparation containing a prohibited substance on Prohibited List A; or
 - (iii) a substance or preparation that is not permitted to be in a person’s possession or on a person’s premises in accordance with AR 252(1).
- (3) For the purposes of this rule:
- (a) “supply” includes the selling, giving, transporting, sending, delivering or distributing (or possessing for any such purpose) of a substance or preparation;
 - (b) “procure” includes the purchase and/or receipt of a substance or preparation.

Division 9 – Therapeutic substances**AR 257 Therapeutic substances**

- (1) For analysis of a therapeutic substance in a sample taken at any time from a horse, there must be an initial screening test or screening analysis of the sample.
- (2) As a minimum requirement, the initial screening test or screening analysis must be conducted by an Official Racing Laboratory in accordance with the following procedure:
- (a) the relevant biological matrix, equivalent in volume to the portion or aliquot of the sample being tested, is to have added to it a quantity of the therapeutic substance or its specified metabolite, sufficient to bring its concentration to the screening limit specified for that therapeutic substance – this is known as the “spiked sample” and is to be analysed concurrently with the sample;
 - (b) the portion or aliquot of the sample is then to be tested to determine whether or not it contains a quantity of the therapeutic substance or its specified metabolite that exceeds that screening limit, by making a direct comparison with the spiked sample;

- (c) if the screening limit is not exceeded, the detection of the therapeutic substance in the sample is not to be reported on a Certificate of Analysis;
 - (d) if the screening limit is exceeded, then the sample is to be further tested in accordance with normal laboratory procedures designed to certify the presence of the therapeutic substance in the sample.
- (3) A therapeutic substance for the purpose of this rule and the screening limit applicable to it or its specified metabolite is to be promulgated and published from time to time by Racing Australia.
 - (4) The screening limit testing provided for in this rule is not intended to and does not operate to mean that for the purpose of the Rules the relevant therapeutic substance only becomes a prohibited substance if and when the screening limit is exceeded.
 - (5) It is no defence to an alleged breach of AR 240 or AR 241 that the result of any initial screening test or screening analysis should have been below the screening limit for the therapeutic substance in question.

AR 257A Prohibition on blood doping

- (1) A person must not:
 - (a) withdraw and re-infuse; or
 - (b) withdraw, manipulate and re-infuse,
 homologous, heterologous, or autologous blood, blood products or blood cells into the circulatory system of a horse.
- (2) A person must not administer any quantity of homologous, heterologous, or autologous blood, blood products or blood cells of any origin into the circulatory system of a horse.
- (3) Notwithstanding subrules (1) and (2), a PRA or the Stewards may find that it is a complete defence to a charge laid under subrule (1) or (2) if in their opinion:
 - (a) the relevant conduct was for life-saving purposes; and/or
 - (b) the relevant conduct was part of a veterinary regenerative therapy for the treatment of musculoskeletal injury or disease administered by or under the supervision of a qualified veterinary surgeon. *[rule added 1.1.20]*

AR 257B Environmental substances

- (1) For analysis of an environmental substance in a sample taken at any time from a horse, there must be an initial screening test or screening analysis of the sample.
- (2) As a minimum requirement, the initial screening test or screening analysis must be conducted by an Official Racing Laboratory in accordance with the following procedure:
 - (a) the relevant biological matrix, equivalent in volume to the portion or aliquot of the sample being tested, is to have added to it a quantity of the environmental substance, sufficient to bring its concentration to the Australian Residue Limit specified for that environmental substance – this is known as the “spiked sample” and is to be analysed concurrently with the sample;
 - (b) the portion or aliquot of the sample is then to be tested to determine whether or not it contains a quantity of the environmental substance that exceeds that Australian Residue Limit, by making a direct comparison with the spiked sample;
 - (c) if the Australian Residue Limit is not exceeded, the detection of the environmental substance in the sample is not to be reported on a Certificate of Analysis;
 - (d) if the Australian Residue Limit is exceeded, then the sample is to be further tested in accordance with normal laboratory procedures designed to certify the presence of the environmental substance in the sample.

(3) An environmental substance for the purpose of this rule and the Australian Residue Limit applicable to it, is to be approved and published from time to time by Racing Australia.

(4) The Australian Residue Limit testing provided for in this rule is not intended to and does not operate to mean that for the purpose of the Rules the relevant environmental substance only becomes a prohibited substance if and when the Australian Residue Limit is exceeded.

(5) It is no defence to an alleged breach of AR 240 or AR 241 that the result of any initial Australian Residue Limit test or screening analysis should have been below the Australian Residue Limit for the environmental substance in question. *[rule added 1.11.24]*

PART 12 – SAMPLE ANALYSIS & FACILITATION OF PROOF

Division 1 – General rules

AR 258 General rules

- (1) Samples may be analysed by a PRA or the Stewards, including without limitation for the purposes of identifying prohibited substances and/or prohibited methods referred to in these Australian Rules and to assist to profile relevant parameters in a horse's urine, blood, hair or other matrix. This applies to all samples, which includes stored samples (being samples or portions of a sample stored and/or retained, including for future analysis for purposes consistent with the Rules).
- (2) Subject to AR 259(10), samples taken from a horse by a PRA, the Stewards, or other persons authorised by a PRA, must be analysed by an Official Racing Laboratory.
- (3) All samples taken from horses for the purposes of these Australian Rules are the property of the PRA of the State or Territory in which the sample was taken.
- (4) A sample may be stored, frozen, or otherwise dealt with in a manner a PRA or the Stewards consider appropriate, and may be disposed of as a PRA or the Stewards think fit.

Division 2 – Sample analysis and facilitation of proof

AR 259 Sample analysis and facilitation of proof

- (1) A sample taken from a horse (“relevant sample”) may be provided by or at the direction of a PRA or the Stewards to an Official Racing Laboratory (“First Laboratory”).
- (2) A portion or aliquot of the relevant sample analysed by the First Laboratory will be referred to as the “A Portion”.
- (3) As soon as practicable after analysis of the A Portion is complete, the First Laboratory must notify its findings to the PRA or the Stewards from whom the relevant sample was received, by providing a written record in the nature of a Certificate of Analysis (“First Certificate of Analysis”).
- (4) A second portion or aliquot of the relevant sample, together with any control of the relevant sample, may be provided by the First Laboratory to another Official Racing Laboratory (“Second Laboratory”) for confirmatory analysis by it. Where that is done, the second portion or aliquot of the relevant sample provided to the Second Laboratory will be referred to as the “Reserve Portion”.
- (5) As soon as practicable after analysis of the Reserve Portion is complete, the Second Laboratory must notify its findings, by providing a written record in the nature of a Certificate of Analysis (“Second Certificate of Analysis”), to:
 - (a) the PRA or the Stewards that provided the relevant sample to the First Laboratory; or
 - (b) the First Laboratory, which must then provide a copy of that certificate to the PRA or the Stewards that provided the relevant sample to the First Laboratory.
- (6) If the results stated in the Second Certificate of Analysis confirm that:
 - (a) the prohibited substance detected in the Reserve Portion is the same as the prohibited substance detected in the A Portion; and
 - (b) the prohibited substance detected in the A Portion and the Reserve Portion is not detected and quantified in any control of the relevant sample,
 then the provision of the Second Certificate of Analysis will, together with the First Certificate of Analysis, constitute *prima facie* evidence that the relevant sample contains a prohibited substance.

- (7) If only one Official Racing Laboratory is either able, or available, to analyse both the A Portion and the Reserve Portion, then that laboratory can analyse both the A Portion and the Reserve Portion, provided that they are each analysed by separate qualified analysts or groups of analysts (so that no one analyst or group of analysts participates in the analysis of both the A Portion and the Reserve Portion).
- (8) If a Certificate of Analysis states that a prohibited substance was detected in a sample, the PRA or the Stewards which receive the result must communicate that to the trainer of the relevant horse as soon as reasonably practicable.
- (9) Nothing in AR 258 or subrules (1) to (8), including a PRA, the Stewards and/or an Official Racing Laboratory not following any procedures set out in those subrules, precludes a PRA and/or the Stewards from charging a person with breaching these Australian Rules and/or establishing:
- (a) that a horse was administered a prohibited substance; or
 - (b) that a horse was not presented to start in a race, official trial, jump-out or attend another form of test free of prohibited substances; or
 - (c) that a horse had at a particular time a prohibited substance in its system,
- in ways other than through relying on the *prima facie* evidentiary effect of two Certificates of Analysis which is stated in subrule (6).
- (10) A PRA or the Stewards may retain a sample, or portion or aliquot of a sample, taken from a horse for their own purposes, including without limitation to conduct their own testing or analyses (including screening tests). It is a matter of the discretion of a PRA or the Stewards as to whether they communicate the results of their own internal analyses within a reasonable time of them being received, or at all. Those analyses may be used at the discretion of a PRA or the Stewards, including for the purpose of investigations, inquiries, intelligence and/or prosecuting breaches of these Australian Rules. If an internal analysis is used to prosecute a breach of these Australian Rules, the relevant PRA or the Stewards must communicate the results of that analysis to the person/s the subject of the prosecution.
- (11) Retesting of a sample, or portion or aliquot of a sample, is permitted to occur under these Australian Rules. Where that is done, the evidentiary effect stated in subrule (6) is able to be relied on where the results of two Certificates of Analysis record that a prohibited substance is detected in a sample.
- (12) If a prohibited substance is detected in a stored sample submitted or resubmitted for testing and that sample was taken from a horse prior to or following its running in any race, whether or not the horse is to be disqualified from a race it took part in is a matter for the discretion of a PRA or the Stewards.
- (13) Any sample taken from a horse prior to the date on which this rule takes effect which has not been analysed as at that date must be dealt with in accordance with subrules (1) to (12), provided that if a portion or aliquot of the sample has been analysed prior to this rule taking effect, the rules in force immediately prior to that date apply in respect of analysing the sample and proving that it contains a prohibited substance.

Note: By way of example, if, as at 1 March 2019, the A Portion has been analysed but the Reserve Portion has not been analysed, a PRA or the Stewards must rely on the rules in force prior to that date to analyse the sample taken from the horse and prove that it contains a prohibited substance.

PART 13 – DISCIPLINARY PROCESSES, PENALTIES & RESTRICTIONS

Division 1 – Evidentiary and procedural provisions in relation to disciplinary matters

AR 260 Publication of penalties

A PRA or the Stewards may accept as *prima facie* evidence of a penalty (unless the contrary is proved) either:

- (a) written confirmation from a PRA to the effect that it has imposed or adopted a penalty; or
- (b) the authorised publication (electronically or otherwise) by Racing Australia or a PRA to the effect that a penalty has been imposed or adopted.

AR 261 Recognition of penalties imposed overseas

- (1) The recognition in Australia of written confirmation or notice from an Overseas Racing Authority in relation to the imposition by the Overseas Racing Authority of a suspension, disqualification, or other penalty on a person (“Notice of Penalty”) must proceed in accordance with this rule.
- (2) If the PRA that receives a Notice of Penalty from an Overseas Racing Authority is not the PRA that most recently licensed (for a continuous period of not less than 3 months) the person identified in the notice, the recipient PRA must forward a copy of the Notice of Penalty to the PRA which most recently licensed the person for not less than 3 months.
- (3) If the person named in the Notice of Penalty has not previously been licensed by a PRA for a continuous period of 3 months or more, the PRA that receives the Notice of Penalty must deal with it.
- (4) As soon as practicable after receiving the Notice of Penalty, and not later than 7 days after receipt, the relevant PRA must:
 - (a) serve a copy of it on the person named in it; and
 - (b) advise the person of the provisions of this rule.
- (5) Unless an application is made by a person under subrule (7), the PRA who served the Notice of Penalty under subrule (4) must:
 - (a) apply the penalty set out in the Notice of Penalty within the State or Territory which that PRA administers;
 - (b) inform all other PRAs of the application of the penalty under subrule (5)(a).
- (6) After receiving the information referred to in subrule (5)(b), all recipient PRAs must immediately apply the penalty within the State or Territory administered by it.
- (7) The person named in a Notice of Penalty served under subrule (4) (“applicant”) may apply to the PRA which most recently licensed the person for a declaration that the penalty set out in the Notice of Penalty:
 - (a) not be applied at all by that PRA within its State or Territory; or
 - (b) be applied only in part by that PRA within its State or Territory, (“application”).
- (8) Subject to subrule (11)(a), any application must:
 - (a) be made within 14 days of the date of service of a Notice of Penalty under subrule (4);
 - (b) be accompanied by a statement confirming that the applicant has exhausted all avenues of appeal provided for under the rules of the Overseas Racing Authority which imposed the initial penalty;

- (c) set out the ground/s on which the application is made; and
 - (d) set out, including by reference to subrules (7(a) and (b)), the terms of any orders or declarations sought.
- (9) On receipt of an application, the PRA who receives the application may, in its absolute discretion, determine that the penalty set out in the Notice of Penalty is not to be applied within the State or Territory it administers, pending the hearing of the application.
- (10) Within 7 days of the receipt of an application, the PRA which receives the application must hear and determine the matter.
- (11) At the hearing of an application:
- (a) the PRA may, if requested by the applicant, waive compliance with the provisions of all of some of subrule (8) as it thinks fit;
 - (b) the applicant may:
 - (i) with the permission of the PRA, be represented by a legal practitioner or agent;
 - (ii) give oral evidence;
 - (iii) adduce other oral or written evidence;
 - (iv) make oral or written submissions in support of the application.
- (12) At the conclusion of the hearing of an application, the PRA must:
- (a) if satisfied that there are exceptional circumstances, order that the application be granted and make the orders or declarations sought;
 - (b) otherwise order that the application be dismissed.
- (13) For the purposes of subrule (12), the onus of establishing exceptional circumstances is upon the applicant.
- (14) If any order/s or declaration/s under subrule (12) are made, the PRA to which the application was made is required to notify all other PRAs of the terms of the order/s or declaration/s made.
- (15) Once the notice referred to in subrule (14) is given, the order/s or declaration/s set out in that notice will apply within each of the States and Territories of the PRAs who receive that notice.

AR 262 Records of disqualifications, suspensions, and warning offs

Each PRA must retain, and from time to time publish either on its website or in an official publication authorised by it:

- (a) a list of persons suspended, warned off or disqualified by it, or whose suspension or disqualification (as applicable) has been adopted by it;
- (b) a list of horses disqualified by it, or whose disqualification has been adopted by it.

Division 2 – Effects of penalties and restrictions imposed on persons and horses

AR 263 Prohibitions on persons and their conduct while disqualified

- (1) Unless otherwise authorised by the PRA which imposed a disqualification (and upon such conditions as that PRA may in its discretion impose), a person disqualified under these Australian Rules must not, during the period of that disqualification:

 - (l) conduct or assist with thoroughbred breeding in Australia;
 - (m) attend or participate in thoroughbred horse sales or related events;
 - (n) permit or authorise any other person to conduct any activity associated with thoroughbred racing, thoroughbred horse sales and/or breeding for or on behalf of the disqualified person; and/or
 - (o) receive any direct or indirect financial or other benefit derived from thoroughbred racing and/or breeding in Australia.
- (2) In addition to any of the restrictions that may apply in respect of a disqualified person, including those set out in subrule (1), the PRA or the body which imposed the disqualification may order the disqualified person:
- (a) not to participate in social or mainstream media in relation to any matter in connection with racing or wagering;
 - (b) to adhere to such other restrictions as may be necessary or desirable to prevent conduct by the disqualified person that could be prejudicial to the image, interests, integrity or welfare of racing,
- and the disqualified person must comply with any such order.
- (3) Except with the consent of the PRA that imposed a disqualification, a person who in the opinion of the relevant PRA or the Stewards is a close associate of a disqualified person, must not train or race any horse.
- (4) Unless otherwise determined by the PRA that imposed or adopted a penalty, if a person breaches subrule (1), the period of disqualification imposed on that person must automatically restart from the most recent date of the breach, and the person may also be subject to further penalty.
- (5) The provisions of subrule (4) apply to any person to whom subrule (1) applies, regardless of when the penalty that gives rise to the application of the rule was imposed.
- (6) Notwithstanding the provisions of this rule:
- (a) if a lessor is a disqualified person, or in the opinion of a PRA or the Stewards is a close associate of a disqualified person, a PRA may in its discretion waive the operation of the provisions of this rule in favour of a person who leases a horse from that lessor either in respect of a particular race meeting or otherwise during the currency of the lease; and

- (b) if the discretion referred to in subrule (6)(a) is exercised in favour of a lessee then:
- (i) if the lessor's horse wins any stake or prize money, the amount of the stake or prize money will be reduced by the amount or proportion of it to which the lessor would otherwise be entitled pursuant to any written or oral agreement entered into between the lessor and the lessee in respect of the horse; and
 - (ii) no part of a stake or prize money as referred to in subrule (6)(b)(i) is to be payable to the lessor nor be recoverable by the lessor from any PRA, Club, the lessee, or any other person.

AR 264 No betting by a bookmaker with disqualified persons

A bookmaker must not bet with a disqualified person, whether in person, online, by telephone, or using any other device or medium.

AR 265 Restrictions that apply to those warned off the same as those disqualified

A person warned off by a PRA is subject to the same restrictions or consequences applicable to a person disqualified in accordance with the Rules.

AR 266 Prohibitions on conduct of riders during period of suspension

- (1) Unless otherwise ordered, during the period of a rider's suspension the rider cannot ride in any race, official trial, jump-out or trackwork, except if the terms of the rider's suspension are that the rider is suspended from riding in races only.
- (2) Except with the consent of a PRA or the Stewards who imposed a suspension, a rider is not permitted to be registered as a stablehand or be employed or work in any racing stable during the period of that rider's suspension.

AR 267 Prohibitions on conduct of trainers during suspension

Unless otherwise authorised by the PRA or the Stewards in whose territory a suspension was imposed on a trainer (and upon such conditions as the PRA or the Stewards may in their discretion impose), a suspended trainer must not, during the period of that suspension:

- (a) as a trainer or permit holder, nominate a horse for a race, official trial or jump-out;
- (b) train, or participate in any way in the training or preparation for racing of, a horse (including without limitation the giving of instructions);
- (c) be registered as a stablehand;
- (d) be employed by, or otherwise engaged to provide any service in any capacity to, any thoroughbred racing stable; or
- (e) enter the mounting yard, scales area or horse stall area at a racecourse, save that a suspended trainer may enter such an area if he or she is the owner of a horse in that area. *[rule amended 1.2.21]*

AR 268 Prohibitions on conduct of bookmakers during suspension

A bookmaker suspended by a PRA or the Stewards (or any relevant supervising body) must not field at or in respect of any race meeting conducted under the Rules, or be in any way concerned with the operations of a bookmaker during the period of suspension.

AR 269 Prohibitions on conduct of stablehands during suspension

Unless otherwise permitted by a PRA or the Stewards, and on conditions they think fit, a suspended stablehand must not work in any racing stable during the period of that person's suspension.

AR 270 Orders that can be made in relation to a suspended person

In addition to any of the restrictions that may apply to a suspended person under the Rules, the PRA or the body which imposed the suspension may order the suspended person:

- (1) not to enter designated places at racecourses except at times or on conditions as may be specified in the order;
 - (2) not to participate in social or mainstream media in relation to any matter in connection with racing or wagering; and
 - (3) to comply with such conditions as may be necessary or desirable to prevent conduct by the suspended person that could be prejudicial to the image, interests, integrity or welfare of racing,
- and the suspended person must comply with any such order.

AR 270A Penalty for breach of terms of suspension

- (1) Except with the consent of the PRA or the Stewards in whose territory a suspension was imposed, a suspended person must not during the period of the suspension contravene any of the Rules in respect of, or the terms or conditions of, the suspension.
- (2) Unless otherwise determined by the PRA or the Stewards in whose territory a suspension was imposed or adopted, if a person breaches subrule (1), the period of suspension imposed on that person must automatically restart from the most recent date of the breach, and the person may also be subject to further penalty.
- (3) The provisions of subrules (1) and (2) apply to any suspended person, regardless of when the suspension was imposed. *[rule added 1.1.20]*

AR 271 Effect of court proceeding on disqualifications or suspensions

- (1) If, in relation to a disqualification or suspension imposed under these Australian Rules, a court makes an order or declaration which affects the fact of or operation of such a disqualification or suspension, then the time during which the disqualification or suspension would but for the court order or declaration have been effective will not be included in calculating the duration of the disqualification or suspension.
- (2) The provisions of subrule (1) apply in relation to court orders or declarations which include:
 - (a) that the disqualification or suspension is, or is not, operative; or
 - (b) that the disqualification or suspension is not to be enforced or acted upon either generally or for any specified period of time; or
 - (c) that the disqualification or suspension is to be for a limited period of time.
- (3) If an order of a court ceases to have effect for any reason, then, subject to any order a court may make or may have made, the duration of a disqualification or suspension is to commence to run, or resume running, from the date when that order ceases to have effect.

AR 272 Effect of bonus payable to a disqualified person

A horse is not to be disqualified from a race by reason only of a bonus payable under the conditions of the race to a disqualified person as breeder or nominator of the sire, and in the event of that horse winning or being placed, any bonus applicable is to be withheld and paid to the nominator of the horse.

AR 273 A horse cannot participate while disqualified

A horse disqualified by a PRA or the Stewards cannot be entered or run in any race held under these Australian Rules or be trained on any racecourse, training track or training facility where these Australian Rules are in force.

AR 274 Effect of prize otherwise awarded if a horse is disqualified

If a horse is disqualified from a particular race, or for anything occurring in a race, the prize or money (including any proportion the horse's rider would have been entitled to) is to be awarded as though that horse had not started in the race.

AR 275 Effect on a horse of disqualification of a person associated with the horse

- (1) If a PRA disqualifies a person, it may disqualify any horse the disqualified person has an interest in for the same or any other period of time.
- (2) Notice of every general disqualification of horses and their names (when they can be ascertained) is required to be included in the List of Disqualifications, but the omission of any horse's name does not affect the restrictions which are part of that disqualification.

AR 276 Effect of disqualified or suspended trainer on horses

- (1) The disqualification of a trainer or the suspension of a trainer's licence does not of itself render ineligible for racing a horse which at the time of the disqualification or suspension was being trained by the trainer, and in which the trainer had no interest other than as trainer, provided that the horse is removed as soon as practicable to the possession of another trainer who is expressly approved by a PRA to train that horse.
- (2) For the purposes of this rule, "being trained" includes any horse the disqualified or suspended trainer was responsible for the care and control of, and/or any horse for which a current Stable Return has been lodged declaring the horse to be trained by the disqualified or suspended trainer.

AR 277 Discretion in relation to suspensions

- (1) A PRA or the Stewards may suspend any licence, right or privilege granted under the Rules for any term they think fit so far as it relates to the racecourses or race meetings controlled by them.
- (2) A suspension referred to in subrule (1) may be disallowed or removed by a PRA.

AR 278 Disqualified person bound by the Rules during disqualification

- (1) Subject to subrule (2), if a licensed person is disqualified, that person's licence immediately ceases and becomes void, and the person must make application to a PRA to be relicensed in order to be granted a new licence.
- (2) For the duration of a period of disqualification, a disqualified person is and remains bound by, and subject to, the Rules.

AR 279 No damages for decisions made under the Rules

- (1) A person is not entitled to make any claim for damages by reason or in consequence of the imposition, annulment, removal, variation, or remission of any decision made, or penalty, restriction or sanction imposed or purporting to be imposed, under the Rules.
- (2) Neither Racing Australia (including the Australian Stud Book), a PRA, a Steward, a Club, or an official shall be liable to any person for any loss or damage sustained by that person as a result of, or in any way (either directly or indirectly) arising out of the exercise of any right, privilege, power, duty, function or discretion conferred or imposed, or bona-fide believed to have been conferred or imposed, under the Rules.

[subrule amended 6.4.22]

Division 3 – Stewards' hearings and appeal rights**AR 280 Appeals to a PRA**

- (1) Subject to subrule (2) and the Rules, a person to whom a decision relates may appeal to a PRA in respect of:

- (a) a penalty imposed by a PRA or the Stewards; or
 - (b) a restriction imposed by a PRA or the Stewards in relation to a horse in which the person has an interest.
- (2) There is no right of appeal against a decision of the Stewards in relation to:
- (a) a protest against placed horses arising out of an incident or incidents occurring during the running of a race;
 - (b) a restriction imposed on a horse which provides that the horse is required to pass a specified trial, test or examination;
 - (c) the eligibility of any horse to run in any race;
 - (d) a declaration under AR 204(1).

AR 281 Legal representation at Stewards' inquiries or hearings

- (1) A person attending or required to attend an inquiry or hearing conducted by the Stewards is not entitled to be represented by any other person, whether a member of the legal profession or otherwise.
- (2) Notwithstanding subrule (1), an apprentice jockey may be represented at an inquiry or hearing conducted by the Stewards by the apprentice jockey's master or other trainer acting for his or her master.

AR 282 Consequences of findings can be suspended pending an appeal

When an appeal has been instituted against a disqualification or suspension imposed under these Australian Rules, the PRA concerned and any persons holding powers delegated by a PRA under AR 15(d) may, on terms they think fit, suspend or stay the operation in whole or in part of any restrictions upon disqualified or suspended persons and disqualified horses until the determination of the appeal.

Division 4 - Penalties

AR 283 Penalties

- (1) Subject to subrule (3), a person or body authorised by the Rules to penalise any person may, unless the contrary is provided, impose:
- (a) a disqualification;
 - (b) a suspension;
 - (c) a reprimand; or
 - (d) a fine not exceeding \$100,000.
- (2) Further to subrule (1), a disqualification or suspension may be supplemented by a fine.
- (3) In respect of a breach of AR 132, the Stewards may, in addition to the penalties identified in subrules (1) and (2), order the forfeiture of the rider's riding fee and/or forfeiture of all or part of the rider's percentage of prize money, notwithstanding that the amount exceeds \$100,000.
- (4) Unless otherwise ordered by the person or body imposing the penalty, a disqualification or suspension imposed under subrules (1) to (3) is to be served cumulatively to any other suspension or disqualification.
- (5) Any person or body authorised by the Rules to penalise a person may in respect of any penalty imposed in relation to the conduct of a person and other than in relation to a period of disqualification or a warning off, suspend the operation of that penalty either wholly or in part for a period not exceeding 2 years, on terms they think fit.

- (6) Where a person breaches any of the rules listed below, a disqualification for a period of not less than the period specified for that rule must be imposed unless there is a finding that a special circumstance exists, in which case that penalty may be reduced:
- (a) AR 115(1)(e): 2 years;
 - (b) AR 116(1): 2 years;
 - (c) AR 129(5): 3 years;
 - (d) AR 229(1)(b): 5 years;
 - (e) AR 231(2)(a): 2 years.
 - (f) AR 243(1): 2 years;
 - (g) AR 244(1): 3 years;

- (3) For the purposes of this rule, the “manager” includes the breeder where the broodmare has not yet been registered for breeding in accordance with AR 301.
- (4) For the sake of clarity, nothing in this rule affects a person’s Mare Return obligations under the Australian Stud Book Rules, save that lodgment of a Mare Return in accordance with this rule constitutes lodgment of a Mare Return under the Australian Stud Book Rules.

AR 286 Lodgment of Foal Ownership Declaration

- (1) A Foal Ownership Declaration must be lodged with Racing Australia by the manager of a foal or his or her authorised agent within 30 days of the foal’s birth.

- (4) Nothing in this rule affects, or releases any person from, any requirement to be bound by the Rules that arises other than by the lodgment of the Foal Ownership Declaration,

including but not limited to any requirement to be bound by the Rules that arises as a result of the lodgment of any other form, the making of any other notification, disclosure or declaration, or the operation of any of the Rules.

AR 287 Failure to lodge Mare Return and/or Foal Ownership Declaration

For the sake of clarity, where an unnamed horse has multiple owners, the outgoing owners are only required to sign transfer documents to the extent required of them by the applicable agreement governing the horse ownership venture (e.g. the COA).
- (3) If a person breaches subrule (2), a PRA or the Stewards may restrict the relevant horse from being entered for a race, official trial or jump-out for a period not exceeding 1 month from identification of the breach.

- (7) Racing Australia may:
 - (a) accept an unnamed horse transfer of ownership application; or
 - (b) on proper cause, including but not limited to lack of bona fides of the transaction or the identity of the persons or horse concerned, or a determination that they or any of them are subject to any penalty or restriction under the Rules:

 - (i) reject a breeding horse transfer of ownership application; or
 - (ii) if a breeding horse transfer of ownership has been effected, set aside the transfer.
- (7) If a breeding horse transfer of ownership application is accepted or set aside, the Australian Stud Book must as soon as practicable amend the official ownership records.

AR 311 Application of the Rules to owners of breeding horses

- (1) It is a condition precedent to any lodgment or notification under AR 285 or any of AR 301 to AR 310 inclusive that the manager or his or her authorised agent lodging the relevant document or making the relevant notification undertakes to be bound by the Rules and, upon action being taken in compliance with any of those rules (including by a Syndicate as applicable), the breeding horse and its owners become subject to, and agree to be bound by, the Rules for the following purposes only as a consequence of, and relating to, the lodgment of the relevant document or the making of the relevant notification:
 - (a) the observation of other horses for health and welfare reasons only where there is concern for their health and welfare based on reasonable grounds; and
 - (b) the rules that relate to traceability (any rule under this Part 14 and any relevant Local Rules).
- (2) Nothing in this rule affects, or releases any person from, any requirement to be bound by the Rules that arises other than by the lodgment or notification under AR 285 or any of AR 301 to AR 310 inclusive, including but not limited to any requirement to be bound by the Rules that arises as a result of the lodgment of any other form, the making of any other notification, disclosure or declaration, or the operation of any of the Rules.

 - (a) restrict that person or any relevant horse from participating in the thoroughbred racing and breeding industry; and/or
 - (b) restrict the payment (including payments under bonus schemes) or awarding of any prize to that person,until the relevant form has been properly lodged or the relevant notification has been properly made.

SCHEDULE 2 – TRAINER & OWNER REFORM RULES (TOR RULES)

TOR Rule 1 – Commencement and operation of the TOR

- (1) The TOR, including the TOR Rules, will commence pursuant to these Australian Rules on the TOR Commencement Date.
- (2) From the TOR Commencement Date:
 - (a) persons bound by these Australian Rules must comply with the TOR Rules;
 - (b) all trainers and owners (except exempt trainers and exempt owners) must comply with the STA and the STA is deemed to apply as between those trainers and owners subject to TOR Rule 1(4); and
 - (c) all co-owners, except for co-owners who have obtained their interest in a horse through a Promoter Syndicate and who do not own their interest in the horse with other owners who are not in a Promoter Syndicate, must comply with the COA and the COA is deemed to apply as between those co-owners subject to TOR Rule 1(5).
- (3) Notwithstanding TOR Rule 1(2):
 - (a) specific terms of the STA can be excluded, varied or limited by agreement in writing between a trainer and an owner, provided that a trainer and owner cannot exclude, vary or limit the operation of any provision of these Australian Rules (including any of the TOR Rules); and
 - (b) specific terms of the COA can be excluded, varied or limited by agreement in writing by the co-owners of a horse if that is done in accordance with the terms of the COA, provided that co-owners cannot exclude, vary or limit the operation of any provision of these Australian Rules (including any of the TOR Rules).
- (4) If a trainer and an owner:
 - (a) are, as at the TOR Commencement Date, party to a separate written agreement in relation to training services, they can in writing agree that the other agreement continues to operate after the TOR Commencement Date in conjunction with, or instead of, the STA; or
 - (b) enter, after the TOR Commencement Date, into a separate written agreement in relation to training services, they can in writing agree that the other agreement operates in conjunction with, or instead of, the STA,

provided that they are bound by, and must comply, with these Australian Rules (including the TOR Rules).
- (5) If one or more of the co-owners:
 - (a) is, as at the TOR Commencement Date, party to a separate written agreement with other co-owners in respect of the horse ownership venture, the co-owners can agree in writing that the other agreement continues to operate after the TOR Commencement Date in conjunction with, or instead of, the COA; or
 - (b) enter, after the TOR Commencement Date, into a separate written agreement with other co-owners in respect of the horse ownership venture, the co-owners can in writing agree that the other agreement operates in conjunction with, or instead of, the COA, provided that they are bound by, and must comply with, these Australian Rules (including the TOR Rules).
- (6) The TOR applies equally to a training partnership licensed pursuant to the Rules as it does to individually licensed trainers.
- (7) These TOR Rules, the STA and the COA apply equally to a lessee of a horse as an owner, unless a particular provision of these TOR Rules, the STA and/or the COA expressly

states that it only relates to a person with an ownership interest (rather than a lease interest) in a horse.

- (8) Any company or other business structure through which a trainer provides training services (including the billing of training services) is bound by these TOR Rules and must comply with them (to the intent that the requirements of the TOR cannot be avoided on account of a trainer providing training services through a corporate entity or other business structure which is not licensed or registered by Racing Australia or a PRA).
- (9) The COA does not apply to Promoter Syndicates which own the whole of the ownership of a horse. Promoter Syndicates must however comply with the STA (subject to TOR Rules 1(2)(b), 1(3)(a) and 1(4)).
- (10) If an owner's ownership interest in a horse is as a member of a registered Syndicate, including as a member of a Promoter Syndicate, then for the purposes of the TOR:
 - (a) the Syndicate Manager is responsible for representing the Syndicate;
 - (b) the Syndicate is deemed to be the only owner of the combined ownership interest held by the Syndicate, as if it was a separate legal entity, and the Syndicate Manager will be its expressly authorised legal representative; and
 - (c) all actions and decisions made by the Syndicate Manager will be taken to be made on behalf of the relevant Syndicate.
- (11) To the extent that there is any conflict or inconsistency between a provision of these Australian Rules (including any of the TOR Rules) and a term of the STA or the COA (including as amended, whether in accordance with TOR Rule 1(3) or otherwise), or a term of any other separate agreement made in relation to training services or a horse ownership venture (whether made in accordance with TOR Rule 1(4) or 1(5) or otherwise), these Australian Rules (including the TOR Rules) prevail to the extent of the conflict or inconsistency.
- (12) Racing Australia (including its officers and employees), each PRA (including its officers and employees) and each TDT (including its members), shall not be liable to any person, and no person shall be entitled to make any claim for damages, for any loss or damage sustained as a result of, or in any way (either directly or indirectly) arising out of, the exercise of any right, privilege, power, duty or discretion conferred or imposed, or bona-fide believed to have been conferred or imposed, under the TOR Rules.
- (13) If a dispute between a trainer and an owner arises under the TOR Rules:
 - (a) neither party may commence external proceedings in respect of the matters the subject of the dispute, save as to proceedings seeking urgent interlocutory relief, until all processes set out in the TOR Rules through which training fees and/or training disbursements can be recovered, or disputes in relation to them resolved or determined, have been followed; and
 - (b) if a party commences external proceedings in respect of the matters the subject of the dispute, this subrule may be relied upon or pleaded by the other party as a bar to any such proceedings.

TOR Rule 2 – Powers of PRAs in relation to the TOR

- (1) A PRA shall, in addition to the powers conferred by these Australian Rules, have power, in its discretion, to put in place Local Rules, regulations, policies or procedures, and/or take steps incidental or conducive to trainers and owners of horses complying with the TOR.
- (2) Without limiting TOR Rule 2(1), a PRA has power:
 - (a) to appoint a person/s, who must have relevant experience in dealing with commercial disputes, as a TDT member for the purpose of determining disputes in relation to training fees and/or training disbursements;

- (b) to make and enforce policies or procedures in respect of the role, powers and functions of the TDT, and any member of it;
 - (c) to freeze the payment of prize money to which an Owner would otherwise be entitled and pay that prize money to a trainer in payment of training fees and/or training disbursements due and payable to the trainer;
 - (d) to take whatever action it thinks fit (including to refuse to accept the nomination of a horse to race, or to take disciplinary action permitted by the Rules) against a person who breaches any provision of these TOR Rules or any regulations, policies or guidelines made by or pursuant to a direction of Racing Australia in relation to them;
 - (e) to require fees (including administrative, or transaction processing fees) to be paid to Racing Australia or to a PRA in connection with the TOR, including in connection with the operation of the TDT.
- (3) If there is any inconsistency between a rule contained in these TOR Rules and that contained in a PRA's Local Rules, to the extent of any conflict or inconsistency, the provision in these TOR Rules will prevail (except where a PRA makes a local rule in relation to the TDT's role and/or processes under TOR Rule 8(8)).

TOR Rule 3 – Requirement for trainers to issue a Fees Notice

- (1) (a) Subject to TOR Rule 3(3), a trainer must issue a Fees Notice to the manager within 7 days of the date on which he or she is appointed as the trainer of a horse.
 - (b) The manager must provide a copy of the Fees Notice to each owner within 5 days of being issued the Fees Notice by the trainer.
 - (c) If the manager does not object to the trainer within 14 days of being issued the Fees Notice, the basis for providing training services set out in that notice is deemed to have been accepted by the owner/s.
- (2) The Fees Notice must set out:

 - (d) any additional fees the trainer proposes to charge the owner, including bonuses for winning races, or commissions on the sale of a horse; and
 - (e) whether a trainer proposes to charge interest on any unpaid training fees and/or training disbursements. The trainer is entitled to do so from the day after an amount falls due and payable, at an interest rate not more than the rate prescribed from time to time for pre-judgment interest in the Supreme Court of the State or Territory of the TDT at which any dispute in relation to training fees and/or training disbursements would be heard pursuant to TOR Rule 5(4).
- (3) If a trainer fails to issue a Fees Notice in accordance with TOR Rule 3(1)(a), the only consequence of such failure is that the trainer is not permitted to rely on the presumption of a training debt in respect of training fees and/or training disbursements relating to training services provided prior to the date on which a Fees Notice was issued.

TOR Rule 4 – Circumstances in which the presumption of a training debt arises

- (1) As a condition precedent to a trainer being able to rely on the presumption of a training debt, the trainer must provide the trainer's invoice/s in relation to training fees and/or training disbursements to the owner of the relevant horse by the 15th day of any

calendar month following a period of time in which training services were provided by the trainer to the owner.

- (2) A trainer who fails to issue an invoice by the end of the 15th day of a month following a period of time in which training services were provided must wait until the subsequent month to seek to rely on the presumption of a training debt, and can then only do so if an invoice has been provided to the owner by the end of the 15th day of that subsequent month.
- (3) If an invoice is issued in accordance with TOR Rule 4(1), the owner may formally dispute the invoice (or part of it) by serving a Dispute Notice which complies with the requirements in TOR Rule 5(1) on the trainer. A copy of the Dispute Notice must also be provided to Racing Australia.
- (4) If a trainer issues an invoice in accordance with TOR Rule 4(1) and the invoice is not fully paid by the end of the month in which it is issued, then unless a Dispute Notice is provided by the owner to the trainer by the last day of the month in which the invoice is issued, the invoice is deemed to be due and payable to the trainer at the end of that month. (That is known as the presumption of a training debt against the owner).
- (5) The provision of a Dispute Notice by an owner to a trainer by the last day of the month in which the invoice the subject of the dispute is issued has the effect that the presumption of a training debt does not arise. In that instance, unless the dispute is settled by consent, the trainer and owner each may apply in accordance with TOR Rule 5 to have the dispute heard and determined by the TDT.

TOR Rule 5 – Requirements in relation to, and the effect of, a Dispute Notice

- (1) A Dispute Notice:
 - (a) must be in a form prescribed by Racing Australia from time to time, and must provide the information required by that form;
 - (b) must clearly identify the invoice/s (or part of the invoice/s) disputed by the owner, the amount in dispute, and the grounds for the dispute;
 - (c) must be provided by an owner to a trainer with supporting documentation (to be enclosed with the Dispute Notice) that the owner intends to rely on in relation to the dispute;
 - (d) must be served on the trainer, with a copy also required to be provided by the owner to Racing Australia:
 - (i) subject to TOR Rule 5(1)(e) and TOR Rule 6(2), within 6 months of the date of the relevant invoice; and
 - (ii) by the last day of the month in which the relevant invoice is issued if the owner wishes to prevent the presumption of a training debt arising; and
 - (e) must not be served on the trainer after an EAA is filed with Racing Australia by the trainer under TOR Rule (6)(1), and any purported service of a Dispute Notice after that time will not be valid.
- (2) If a Dispute Notice challenges part, but not the whole of an invoice issued by a trainer to an owner, the owner must pay to the trainer the part not in dispute by the last day of the relevant month in which the invoice is issued in accordance with TOR Rule 4(1). Failing that, the part not in dispute is deemed due and payable to the trainer at the end of the month in which the invoice is issued.
- (3) Once a Dispute Notice is served by an owner on a trainer in accordance with TOR Rule 5(1), each has the right to elect to have the dispute determined by a TDT by filing a Notice of Election of Hearing with Racing Australia within 14 days of the Dispute Notice being served, with a copy also required to be served on the other party to the dispute.

- (4) Once a Notice of Election of Hearing is filed with Racing Australia, it will allocate the matter to the TDT of the relevant PRA as follows:
- (a) the matter is to be allocated to the PRA of the State or Territory in which the trainer who is party to the dispute is licensed to train horses;
 - (b) if the trainer is licensed in more than one State or Territory of Australia, the matter is to be allocated to the PRA of the State or Territory in which the horse the subject of the dispute (or a majority of the horses where there is more than one horse the subject of the dispute) is predominantly located, based on the most recent Stable Return/s lodged by the trainer with Racing Australia in respect of the horse/s; and
 - (c) if the trainer is licensed in more than one State or Territory and has an equal number of horses the subject of the dispute predominantly located in more than one State or Territory, the matter is to be allocated to the PRA that Racing Australia thinks fit.

TOR Rule 6 – Consequences if the presumption of a training debt arises

- (1) Once the presumption of a training debt arises, a trainer may file an EAA with Racing Australia (with a copy also required to be served on the relevant owner) seeking that one or more of the following consequences be applied against the owner:
- (a) if the defaulting owner owns 50% or more of the total of the ownership of the relevant horse, that Racing Australia will not process any Stable Return seeking to transfer the horse to another trainer;
 - (b) that Racing Australia and/or the relevant PRA responsible for any registration function in respect of the relevant horse will not register any transfer of the owner's share or ownership interest in the horse; and
 - (c) that Racing Australia will notify the relevant PRA/s and the PRA/s will, other than in an exceptional circumstance determined in its discretion, freeze the payment of prize money to which the Owner would otherwise be entitled, and direct payment of that prize money to the trainer owed the training fees and/or training disbursements. Subject to any exceptional circumstance determined by a PRA, the defaulting owner expressly waives any right to objecting to a PRA's payment of that prizemoney to the trainer.
- (2) Once an EAA is filed with Racing Australia by a trainer under TOR Rule 6(1), an owner is not permitted to serve a Dispute Notice on the trainer and any purported service of a Dispute Notice after that time will not be valid.
- (3) Once an EAA is filed with Racing Australia by a trainer under TOR Rule (6)(1), unless Racing Australia or the relevant PRA, as applicable, considers that an exceptional circumstance warrants another course, each of the consequences stated in TOR Rule 6(1)(a) to 6(1)(c) which were applied for by the trainer will apply until:
- (a) the relevant training fees and/or training disbursements which are due and payable are paid to the trainer;
 - (b) the trainer notifies Racing Australia that the trainer has come to a settlement with the owner in relation to the disputed amount; or
 - (c) the owner notifies Racing Australia that the owner has come to a settlement with the trainer in relation to the disputed amount and provides sufficient evidence (as determined by Racing Australia in its sole discretion) of such settlement.
- (4) A trainer must notify Racing Australia in writing within 24 hours of becoming aware of having received payment from an owner of any training fees and/or training disbursements referred to in an EAA, and/or of becoming aware of the settlement with the owner of a dispute in respect of training fees and/or training disbursements the subject of an EAA.

- (5) If, in respect of a horse owned or part owned by an owner:
- (a) the horse is transferred from one trainer to another trainer;
 - (b) the owner owes training fees and/or training disbursements to both trainers; and
 - (c) both trainers have filed an EAA/s pursuant to TOR Rule 6(1)(c),
- the earlier of the EAA/s filed will take precedence in respect of freezing the payment of prizemoney to which the owner would otherwise be entitled and directing payment of that prizemoney to the trainers.
- (6) Subject to subrule (7), if an EAA has been applied by Racing Australia and/or a PRA against an owner under this rule, while that EAA remains in place:
- (a) that owner must not, either directly or indirectly, acquire an interest in another horse and/or lodge with Racing Australia or a PRA in respect of another horse:
 - (i) a Foal Ownership Declaration;
 - (ii) a registration application;
 - (iii) a transfer of ownership application, except for the purpose of that owner selling his or her interest in another horse; or
 - (iv) a lease application; and
 - (b) Racing Australia and/or a PRA must not process any such application or lodgment. *[subrule added 1.8.21]*
- (7) Racing Australia and/or a PRA (as applicable) may waive any prohibitions in subrule (6) if they are of the opinion that such waiver will assist in reducing the relevant owner's training fees and/or training disbursements debt. *[subrule added 1.8.21]*

TOR Rule 7 – Further trainer rights (when the presumption of a training debt has not arisen)

- (1) If, despite the presumption of a training debt not having arisen, a trainer contends that training fees and/or training disbursements are due and payable to the trainer in respect of a horse, the trainer may object by written notice provided to Racing Australia to the transfer of the horse from the trainer to another trainer, or to the transfer of an ownership interest in the horse from one owner to another. A copy of that written objection must also be served on the relevant owner.
- (2) If a trainer objects pursuant to TOR Rule 7(1):
- (a) the following consequences apply:
 - (i) Racing Australia will notify the relevant owner of the objection;
 - (ii) if the owner owns 50% or more of the total ownership of the relevant horse, Racing Australia will not process any Stable Return seeking to transfer the horse to another trainer; and
 - (iii) Racing Australia and/or the relevant PRA responsible for any registration function in respect of the relevant horse will not register any transfer of an owner's ownership interest in the horse.
 - (b) the consequences stated in TOR Rule 7(2)(a)(ii) and 7(2)(a)(iii) will cease after 5 business days unless the trainer provides Racing Australia with copies of the invoice/s outstanding to the trainer (clearly identifying the parts of them alleged to be due and payable to the trainer) within 5 business days of the proposed transfer (which period is not to be extended in any circumstance);
 - (c) upon receipt of that information, Racing Australia will notify the relevant owner who may then either:

- (i) pay the amount of the invoice/s to Racing Australia (in which case Racing Australia will pay those funds to the trainer and Racing Australia and/or the relevant PRA, as applicable, will process the relevant transfer request); or
 - (ii) serve a Dispute Notice on the trainer (with a copy also required to be provided to Racing Australia). Once that is done, either party may elect to have the matter determined by the TDT by filing a Notice of Election of Hearing with Racing Australia within 14 days of the date of issue of the Dispute Notice (with a copy also required to be served on the other party). However, a Notice of Election of Hearing will only be valid and accepted by Racing Australia if the Dispute Notice related to the dispute was served within 6 months of the date of the invoice the subject of the dispute.
- (3) If an owner serves a Dispute Notice in the circumstances referred to in TOR Rule 7(2)(c)(ii), and the owner still wishes for the relevant transfer to proceed without delay, the owner can pay the amount of the disputed invoice/s into the Training Disputes Trust Account pending determination of the dispute, at which point Racing Australia and/or the relevant PRA, as applicable, will process the relevant transfer.

TOR Rule 8 - Training Disputes Tribunal

- (1) If an owner has served a Dispute Notice on a trainer in accordance with TOR Rule 5(1), either of them may, within 14 days of the service of the Dispute Notice, elect to have the dispute determined by a TDT by paying the filing fee to Racing Australia and at the same time filing a Notice of Election of Hearing with Racing Australia and serving it on the other party to the dispute. Once a valid Notice of Election of Hearing is filed with Racing Australia, it will transfer the filing fee to the PRA allocated the dispute in accordance with TOR Rule 5(4).
- (2) A Notice of Election of Hearing will only be valid and accepted by Racing Australia if the Dispute Notice related to the dispute was served within 6 months of the date of the invoice the subject of the dispute and before any EAA was filed by the trainer.
- (3) When a valid Notice of Election of Hearing is received by Racing Australia from an owner or a trainer, then the consequences set out in TOR Rule 7(2)(a)(ii) and 7(2)(a)(iii) will apply unless the amount disputed in the Notice of Election of Hearing has been paid by the owner into the Training Disputes Trust Account pending resolution of the relevant dispute.
- (4) The TDT may make directions in relation to the preparation of the dispute for hearing as the TDT sees fit, except that a hearing on the papers can only take place if all parties agree to it.
- (5) In relation to an oral hearing before the TDT:
 - (a) there is no immediate right to legal representation before the TDT; and
 - (b) the TDT may grant permission to the trainer and/or owner to be legally represented if in the opinion of the TDT that is warranted having regard to one or more of the following matters:
 - (i) the complexity of the issues arising on the dispute;
 - (ii) the amount disputed;
 - (iii) whether or not the case is of general importance to the racing industry;
 - (iv) the interests of justice in the circumstances of the case.
- (6) In respect of a hearing before the TDT:
 - (a) the TDT:
 - (i) must, other than in exceptional circumstances, make all reasonable efforts to determine a dispute within 10 days of the hearing of that dispute; and

- (ii) is only required to provide written reasons of the TDT's decision if at least one party to the dispute requests that;
- (b) the decision of the TDT will be binding on all parties as a decision under these Australian Rules;
- (c) the TDT may:
 - (i) determine whether training fees and/or training disbursements must be paid and in what amount, including in relation to any amounts paid into the Training Disputes Trust Account; and/or
 - (ii) recommend to any PRA that the PRA/s apply the Rules against a trainer or an owner in a manner recommended by the TDT (in which case it will then be a matter for the relevant PRA as to whether it implements that recommendation);
- (d) if either party intends to challenge the decision of the TDT by way of external proceedings, it must provide written notice of that intention to the other party, the relevant PRA, and Racing Australia within 7 days of the TDT's decision. If that is done, then from that point Racing Australia and/or the relevant PRA, as applicable, must not take any action in relation to the relevant disputed training fees and/or training disbursements until, subject to TOR Rule 8(6)(e), the outcome of the external proceedings is known;
- (e) if notice of an intention to commence external proceedings is provided in accordance with TOR Rule 8(6)(d), but the notifying party has not provided Racing Australia with evidence of the commencement of external proceedings within 28 days of the TDT's decision then:
 - (i) if the TDT has ordered that an amount be paid to a trainer in respect of training fees and/or training disbursements, the owner must pay the trainer the amount determined by the TDT within 2 days of that date (that is, within 30 days of the TDT's decision);
 - (ii) Racing Australia and/or the relevant PRA, as applicable, may take any action in relation to the relevant disputed training fees and/or training disbursements that it is permitted to take under the Rules, provided it does not receive evidence of the commencement of external proceedings before taking such action; and
 - (iii) if Racing Australia receives evidence of the commencement of external proceedings more than 28 days after the TDT's decision, then from that point Racing Australia and/or the relevant PRA, as applicable, must not take any action in relation to the relevant disputed training fees and/or training disbursements until the outcome of the external proceedings is known.
- (f) if notice of an intention to commence external proceedings is not provided in accordance with TOR Rule 8(6)(d), and the TDT has ordered that an amount be paid to a trainer in respect of training fees and/or training disbursements, the owner must pay the trainer the amount determined by the TDT within 7 days of the TDT's decision;
- (g) an unsuccessful party to an application before the TDT must bear the cost of the relevant filing fee in respect of that application;
- (h) further to TOR Rule 8(6)(g), if the trainer succeeds before the TDT and the proceeding was commenced by the trainer, the unsuccessful owner must pay the successful trainer an amount equivalent to the filing fee within 7 days of the TDT's decision;
- (i) further to TOR Rule 8(6)(g), if the owner succeeds before the TDT and the proceeding was commenced by the owner, the unsuccessful trainer must pay the

successful owner an amount equivalent to the filing fee within 7 days of the TDT's decision; and

- (j) other than as provided in TOR Rule 8(6)(g) to 8(6)(i), the parties to a dispute before the TDT must bear their own costs (including any legal costs) in connection with that dispute, except that the TDT retains a discretion to order that a party ("first party") pay some or all of the costs of the other party if the TDT is satisfied that:
 - (i) the first party commenced or responded to the TDT proceedings vexatiously; or
 - (ii) the first party's commencement of, or response to, the TDT proceedings had no reasonable prospect of success.
- (7) A TDT has jurisdiction to determine all issues or questions relevant to determining a dispute between a trainer and an owner/s in relation to the payment of training fees and/or training disbursements. A TDT does not have jurisdiction to determine disputes between co-owners.
- (8) Despite anything in TOR Rule 8 and TOR Rule 2(3), a PRA is entitled to make its own rules and regulations specific to its State or Territory in relation to the role and/or processes of its TDT, provided that they are procedurally fair and are not inconsistent with the overriding purpose of TOR Rule 8, being to have in place a TDT to impartially and efficiently determine disputes in respect of training fees and/or training disbursements. This subrule means that a PRA is able to make local rules inconsistent with TOR Rules 8(4) to 8(6), but only if they are procedurally fair and not inconsistent with the stated overriding purpose of TOR Rule 8.

TOR Rule 9 – Facilitating payment after a TDT decision

- (1) If a TDT makes an award in favour of a trainer:
 - (a) subject to TOR Rule 8(6)(d) and 9(2), the following consequences apply to the defaulting owner:
 - (i) if the owner owns 50% or more of the total ownership of the relevant horse, Racing Australia will not process any Stable Return seeking to transfer the horse to another trainer;
 - (ii) Racing Australia and/or relevant PRA responsible for any registration function in respect of the relevant horse will not register any transfer of the relevant owner's interest in the horse; and
 - (iii) the relevant PRA/s must, other than in an exceptional circumstance to be determined in its discretion, freeze the payment of any prize money to which the owner would otherwise be entitled.
- (2) The consequences in TOR Rule 9(1)(a) will apply until the training fees and/or training disbursements the subject of the TDT's award are paid by the owner to the trainer.
- (3) If 14 days have passed after a decision of a TDT and the trainer has not been paid by the owner as required by the decision of the TDT and informs Racing Australia of that, in addition to the consequences stated in TOR Rule 9(2):
 - (a) Racing Australia will notify the owner, the trainer and the relevant PRA/s of that, after which the relevant PRA/s must, other than in an exceptional circumstance to be determined in its discretion, pay any prize money to which the owner would otherwise be entitled to the trainer in payment of any training fees and/or training disbursements outstanding to the trainer. Subject to any exceptional circumstance determined by a PRA, the defaulting owner expressly waives any right to objecting to a PRA's payment of that prize money to the trainer;

- (b) the relevant PRA/s will retain its powers under the Rules to take action against the defaulting owner (including to refuse to accept a nomination for a horse to race); and
 - (c) the trainer will retain the trainer's rights under the STA and at general law.
- (4) For the purposes of TOR Rule 9(1)(a)(iii) and 9(3), if the PRA of the TDT in which the decision was made notifies Racing Australia that it is not in possession of an amount of prize money to which the owner would otherwise be entitled that is sufficient to satisfy (in whole or in part) the payment of any training fees and/or training disbursements outstanding to the trainer:
- (a) Racing Australia will notify the owner, the trainer and any other PRA/s which may be in possession of such prize money; and
 - (b) if:
 - (i) one of those PRAs is in possession of an amount of prize money to which the owner would otherwise be entitled that is sufficient to satisfy (in whole or in part) the payment of any training fees and/or training disbursements outstanding to the trainer, that PRA is a relevant PRA and Racing Australia may direct that PRA to pay any outstanding training fees and/or training disbursements to the trainer from that prize money; and
 - (ii) if more than one of those PRAs is in possession of an amount of prize money to which the owner would otherwise be entitled that is sufficient to satisfy (in whole or in part) the payment of any training fees and/or training disbursements outstanding to the trainer, those PRAs are each a relevant PRA and Racing Australia may determine the order in which one or more of those PRAs are, on Racing Australia's direction, to pay any outstanding training fees and/or training disbursements to the Trainer from that prize money.
- (5) If Racing Australia or a PRA directs prize money to which an owner would otherwise be entitled be paid to a trainer pursuant to TOR Rule (3)(a), but the disputed amount has already been paid or settled as between trainer and owner by the time that payment is made to the trainer, the trainer must refund to the owner the amount paid to the trainer by that PRA within 7 days.
- (6) A trainer must inform Racing Australia within 24 hours of becoming aware of having received payment from an owner of any training fees and/or training disbursements ordered by a TDT to be paid to the trainer.

SCHEDULE 3 – SYNDICATE RULES (SR)

SR 5 No responsibility of a PRA for the actions of a Syndicate or its members

Neither Racing Australia nor any of the PRAs have any responsibility or liability for the actions of the persons in a Syndicate or who are party to any Syndicate agreement or any other instrument relating to a Syndicate, or for the performance of any legal or equitable obligations of the members of a Syndicate.

SR 6 Limits on the registration or continued operation of a Syndicate

- (1) A Syndicate cannot be registered or continue to be registered:
 - (a) if a horse owned or leased by the Syndicate is disqualified;
 - (b) if any member of the Syndicate is a person whose interest in any horse would under these Australian Rules operate to prohibit the horse from being entered for or started in any race.
- (2) A PRA may at any time call upon the Syndicate manager or the Syndicate members to show cause why the registration of the Syndicate should not be cancelled or suspended.
- (3) If, but for this subrule, a horse would under these Australian Rules be ineligible for a race by reason of the interest of a Syndicate member, and the horse has started in or is nominated for a race, a PRA or the Stewards may (after considering the circumstances associated with the ownership, leasing or membership of the horse and any other circumstances they think fit) rule that the horse was eligible for the race in which it started or for which it is nominated.
- (4) In circumstances where a PRA or the Stewards rule a horse eligible under subrule (3), if the horse has won or wins prize money, the proportion of the prize to which the relevant Syndicate member would otherwise have been entitled will be retained by and become the property of the Club holding the meeting.

SR 7 Penalties for breach of Syndicate Rules

Without limiting any other powers or rules in these Australian Rules, if a person breaches any rule in this Schedule 3 a PRA or the Stewards may:

- (a) penalise the person; and
- (b) disqualify any horse owned or leased by the Syndicate of which the person was, at the relevant time, a member.

SR 8 Additional horses to be owned or leased by a Syndicate

If a Syndicate which wholly or partly owns or leases a horse wishes to wholly or partly own or lease an additional horse/s, a separate registration form must be lodged with the relevant PRA for each additional horse, and be accompanied by any fee prescribed by a PRA from time to time to be paid in relation to that registration.

SR 9 Promoter Syndicates

- (2) Before an offer of shares in a horse/s is made, an AFSL holder must be recorded as a registered Promoter in the Register of Promoters held by a PRA.
- (3) Promoters must obtain approval from a PRA for each Product Disclosure Statement prior to an offer of shares in a horse being made.

SR 10 Applications for Syndicates

- (1) An application to a PRA for approval for a Syndicate to race a horse must be in writing in the form required by a PRA and:

 - (c) issue a Certificate of Registration in relation to the Syndicate to the Syndicate manager.

SR 12 Applications for companies to race horses as a Syndicate

SR 13 PRA's powers to approve and register a Syndicate

- (1) A PRA has complete discretion whether to approve any Syndicate as the owner or lessee of a horse, or any members of it as lessees or as Syndicate manager.
- (2) Notwithstanding subrule (1), a PRA must refuse to approve a Syndicate where any member is a disqualified person.
- (3) A PRA has the absolute discretion at any time and without assigning any reason, to suspend or cancel the registration of a Syndicate.
- (4) Notwithstanding subrule (3), registration of a Syndicate must be cancelled if:
 - (a) any member, Syndicate manager, director or officer of the Syndicate is or becomes a disqualified person or a person whose interest in a horse would, under these Australian Rules, operate to prohibit the horse from being entered for or starting in a race;
 - (b) the manager or any member of the Syndicate fails to supply information required by a PRA or the Stewards within a stipulated time frame;
 - (c) in relation to a company registered as a Syndicate:
 - (i) a winding up order is made or a receiver, receiver and manager, or official manager is appointed in respect of the company; or
 - (ii) any manager for or officer of the company fails to supply information required by a PRA or the Stewards within a stipulated time frame.
- (5) The registration of a Syndicate will not be affected by the fact that a member of the Syndicate, other than the Syndicate manager, has disposed of the whole or part of his or her share in the horse since the relevant Syndicate agreement was registered, provided no share of any member is disposed of more than once in any period of 28 days and provided that:
 - (a) notification of each disposition is signed by the transferor and the transferee and is lodged with the relevant PRA within 7 days of the disposition; and
 - (b) that notification contains a declaration by the transferee that he or she possesses a copy of the Syndicate agreement for the Syndicate and has read these Australian Rules (including these Syndicate Rules) and any Local Rules of the PRA which registered the Syndicate in relation to Syndicates and interests in horses.
- (6) The registration of a Syndicate will not be affected by the fact that a member of the Syndicate has died, provided that:

- (a) written notification of that person's death is lodged with the relevant PRA within 28 days of death; and
 - (b) if the PRA has previously sent to the registered address of the Syndicate notice of a new formal agreement being required to be lodged with it, then at the expiration of 28 days after the date of the notice or any other period that the notice may prescribe, the registration of the agreement previously lodged will be cancelled.
- (7) The registration of a Syndicate will not be affected by the fact that there has been a change of the directors and/or the shareholders of a company registered as a Syndicate (or of the members of a Syndicate not being a company), provided that notification of those changes is made to the relevant PRA within 28 days of each change. The relevant PRA may publish those changes to the extent it considers appropriate.
- (8) A PRA may cancel the registration of a Syndicate on written application by the Syndicate manager if the PRA is satisfied that:
- (a) the Syndicate manager has given written notice of the application to each member of the Syndicate; and
 - (b) after the expiration of one month from a notice having been given, the members of the Syndicate holding an ownership interest of at least 25% in the Syndicate have not given notice in writing to the PRA of their objection to the application.
- (9) The registration of a Syndicate will be cancelled by a PRA if the Syndicate has so resolved by resolution passed by members holding an ownership interest of at least 75% in the Syndicate.
